REV. KEVIN'S MESSAGE - 2018

With my pending retirement, this is my final Annual Report. I wondered what to write and what came to mind was to simply say 'THANK YOU!' Thank you for giving me the privilege of sharing in ministry with you for, what will be at the end of June, 25 years. It is hard to believe that these years have passed so quickly. Thank You for sharing your gifts, your encouragement and your support, for ministry is never one person's alone. It is something that needs to be shared in and through the community. Thank you to Park Royal, and each person who makes it live, for being such a wonderful, supportive community.

Thank you to the staff who have shared in this journey with me - Harold Tuck who brought his experience, wisdom and support; Barbara Cairns who brought enthusiasm and the excitement of exploring her call to ministry; Kathy Campbell who brought creativity and a desire to involve the kids in worship and community life; and most recently, the Rev. David Campbell, my friend and colleague. David has helped me, even in these later years of ministry, to see things in a new way and has challenged me to try different approaches to ministry. I have enjoyed our conversations (sometimes very deep conversations), planning worship times together, exploring possibilities for the life and work of Park Royal and of course, the occasional golf game. It has been a privilege to share what will be close to three years of ministry with David. Thank You!

Thank You to Leslie Hiscott who was the music director when I arrived. Leslie helped me to get a better understanding of the worship life at Park Royal and it soon became apparent that he was one of the reasons why Park Royal was known for its great music.

(Having a talented and committed choir helped). When Leslie retired, the congregation approached Valerie to see if she would take on the job of Music Director. We wondered if that was wise, having both jobs resting in our home. I want to say that it has been a privilege to share in the worship leadership with Valerie. I know that I am biased, but I think she has done an outstanding job and I thank her for her constant support and encouragement. She more than anyone else knows the effort that took by times. Thank You!

Thank you to the Office Administrators, Norma Currie, Kim Crosby, Dawne Gillespie (Debbie Cormier, a frequent supply), Lynn Palmer and Donna Carr. These folks have been the backbone of the day to day workings of the Church and I have certainly depended on each of them. Donna has been a part of the staff for the bulk of my time here. Her work has been stellar, and I have looked to her to keep me apprised of events and happenings in the congregation. She has been a valued confidant, advisor and supporter. Thank you!

Thank you to the caretakers who are also a vital part of the staff team. Bruce Riggs, Adrian Khan, Earl Rafuse, Evelina Gregory, Paula Kelly and Kendell Palmer. Like Donna, Kendell has been at Park Royal for the largest portion of my time here. He continues to astound me with the breadth of his knowledge and his willingness to help out in whatever way he can. I appreciate our friendship and the work he does. Thank you!

Thank you to all of the staff (past and present) who have made Park Royal 'A Great Place To Be', as our beloved and fondly remembered friend Roger Craig used to say. We have been through a lot and it has been so comforting to know that we have been able to walk this path together as friends and colleagues.

I could extend this list many times over thanking all the people who have contributed to life and ministry of Park Royal and who have made me feel so at home here. I have learned many things from you, not least of which is to never say never. I have been encouraged and supported to do things since coming here that have stretched me as a person and as a minister. I think of 'acting' in our Cantatas, playing in the guitar group, doing sound for a band, working as a Chaplain with the RCMP, participating in 2 Mission Trips to Nicaragua, Co-hosting pilgrimages to Israel, Greece and Turkey, building houses with Habitat for Humanity, renovation/building projects at Park Royal, helping with the sponsorship of families from Kosovo and supporting Ubah Ali in her efforts to bring her husband Abdullahi to Canada, study and discussion groups, which have been learning experiences for me. Thank you for these and so many other experiences.

Thank you to those people who have allowed me to be with them in special and tender times of life – hospital and home visits, conversations in my office or elsewhere,

preparing for and participating in baptisms, weddings and funerals. It is a privilege to be included in such moments and I do not take that privilege lightly.

Thank you for letting me be me, doing what I could, knowing that I had limits and working together to fill in the blanks.

Roger was right, Park Royal is a 'great place to be' and it has been a privilege to be among you in this family of faith. Valerie and I look forward to seeing what God has in store for this congregation. We believe that it is great things.

God bless you and Thank You for these past 25 years.

Kevin

REV. DAVE'S MESSAGE – 2018

The author of Ecclesiastes wrote, "There is a season for everything and a time for every matter under heaven." Each year as our calendar rolls from December into January I find that this passage is floating around in my head. These few words of scripture help me to reflect on the year that has been, giving thanks for whatever has come my way. We have had a variety of experiences at Park Royal over the calendar year. Through it all there is one word that has stuck with me and I think it has been the best part of our work together here. That word is 'celebration." In June we capped off our 'year of celebration' with our anniversary celebrations. If you think about it we have actually continued to celebrate in our ministry together beyond our anniversary in June. We celebrated the lives of those who have departed from us, giving thanks for the blessing they were to family, friends and community. We celebrated as a community with music and drama. We celebrated at the table, both with communion and community meals. This list could run quite long. This says something about who we are as a church community. We are a community that celebrates being together. It is my hope and prayer that this will continue to be the way that we are in ministry together for many years to come.

An area that Rev. Kevin and I have spent significant time addressing this past year has been funeral ministry. We have walked challenging journeys with many folks from this congregation and their families. These journeys are challenging because of

the emotions that accompany them. In times of death, communities are meant to rally around the grieving family to care for them. At Park Royal I like to think that we all contribute to making these occasions meaningful and comforting. I am grateful to all the people in this community who continue to organize, bake, cook, visit, and make phone calls, especially during these difficult times. Your time and talents are greatly appreciated.

In this past year we formed a 'Visioning Committee.' This committee has been meeting to discuss Park Royal's future and consider ideas to continue building our community. The work of this group led us to engage EDGE (a Network for Ministry Development) in dialogue about working with us. Early in the New Year we will be having a 'Visioning Day' where a consultant from EDGE will be leading us through discussion and discernment about our community. This is a very important exercise for us and I hope that our attendance will be strong for this event. Our future is important and each and every one of you has the opportunity to share your thoughts and ideas. I encourage all of you to come and be a part of this event so that we might be inspired for our future together.

I want to thank all of the staff here at Park Royal for their work over the past year. Our staff often go above and beyond the call of duty and I am so grateful for their work. Donna, Paula and Kendell you are gifts to this congregation. Thank you for all that you do.

I do not think it's possible to measure the amount of gratitude I have towards Kevin and Valerie. It is bittersweet knowing that they will be retiring in only a few months' time. I say this because I know that they will enjoy the next step on their journey together in retirement but I will certainly miss them here at Park Royal. Kevin and Valerie made my transition into this ministry feel effortless. Their willingness to welcome Sara, Ben and I was comforting. They helped me to feel that I belonged and they were (and still are) open to the ideas that I brought for ministry.

Kevin, your thoughtfulness and support during my time here has been a true blessing. I believe that we have been a solid team over these two to three years. I have enjoyed bouncing ideas off one another, long chats over coffee and exploring the creative ways that we can do ministry together. You have been the best ministry partner I could have asked for at this time in my career. Thank you!

Park Royal, we will continue to celebrate as a family. In particular we will celebrate the ministry that Valerie and Kevin have shared with us and we will celebrate who we are and what we can be together because the Spirit is in our midst and Jesus is inspiring us to move forward. Thanks be to God!

"Let's be a celebrating family whether it's raining or pure sunshine. We've got to break out of the cages of safety and fear into the wide open spaces of the unknown

trusting that nothing is impossible with God. It's clear that the Bible doesn't ever imagine a static, stagnant church but a dynamic group of adventurers stepping out into the unknown with the fearlessness of faith." – ***Gareth Gilkeson of Rend Collective***

SESSION REPORT – 2018

The meetings of the Session of Park Royal United Church were chaired by Rev. Kevin MacKenzie and Rev. David Campbell. There were 4 meetings with quorum held this past year - March 11, June 10, September 30 and November 25. The Session has 4 committees as follows: Worship and Communion, Membership and Visitation, Christian Education and Church in Action as well as a representative on Ministry and Personnel. The reports of those committees can be found elsewhere in this Annual Report.

Our regular meetings consider requests for baptisms, marriages, confirmation, transfer of membership in to or out of our congregation, and membership in the congregation of persons who may be members elsewhere. These requests are accepted or denied as is deemed appropriate by the meeting. Baptisms and transfers can also be found elsewhere in this Annual Report.

The Elders assisted by visitors, delivered a Spring and Fall/Advent newsletter to each family of the congregation thus supplementing visitation by ministerial staff.

On behalf of Session I would like to thank Rev. Kevin MacKenzie and Rev. David Campbell for the spiritual leadership, support and guidance they have given us this past year. Thanks also to our Organist and Choir Director Valerie MacKenzie, as well as Sharon Cameron and Valerie Herring-MacBeath, Office Administrator Donna Carr, and Custodians Kendell Palmer & Paula Kelly.

Session would also like to thank the many others who so willingly gave so much of their time and talent in the work of our church – all Park Royal choir members, Among Friends, Step By Step, Junior Choir and also our Park Royal KIDS and teachers, ushers, greeters and readers. Thank you to those who donated in-memoriam gifts, flowers, bulletins and to all others who helped in so many ways.

Thank you to one and all for your support in the past year and we look forward to your continued support in the year ahead. May God richly bless each and every one.

Respectfully submitted,

Ron Gillespie, Clerk of Session

COMMITTEE OF STEWARDS REPORT – 2018

The Committee of Stewards meets the third Wednesday of each month to discuss and review various aspects of the church including property, security, staff, rentals, finances and requests that come our way. We have also updated our daily and hourly rental rates.

In 2018, the Committee of Stewards continued to maintain and update the church property. One of the big updates this year was the new ramp that makes the downstairs more accessible.

The Committee of Stewards are grateful for the relationships we have with our tenants Kids Connection, Head Start and Singing Strings.

We would like to thank the congregation for their continuous support in assisting to keep our deficit down. It is very much appreciated. As we work together, things can and will continue to prosper the church.

PARK ROYAL KIDS REPORT - 2018

Park Royal KIDS continues to be an important part of our church community. It provides a safe space for Park Royal's children and youth to learn about the Bible and share their faith. We continue to use 'The Whole People of God' Curriculum for lesson planning.

Our older youth have continued with their painting project in the hallway of our Christian Education Wing. The youth, along with their teachers, are painting scenes that depict the life of Jesus. If you have not seen these images yet I encourage you to come by the office. The youth have put a lot of work into them and they have certainly brightened up our hallway.

I want to thank all of the teachers who have given their time to help with the programming over the past year:

Scott Weeks
Rachel MacKay
Josie Courtney
Taylor MacBeath
Karen Stanley
Sarah Kennedy
Heather MacLeod
Gracie Burns
Elena Weeks
Debbie MacRae
Natalie Fraser
Carolyn Tessier-Weeks
Beverley Fay
Lori Brown
Maggie Burns

Thank you also to parents who have stepped up to help at various times.
We are blessed to have so many gifted individuals spending time with our youth. There is always room for more youth, teachers and helpers.

Rev. David Campbell

PASTORAL VISITING COMMITTEE - 2018

Members of Park Royal and their families appreciate our weekly visits to QEH and monthly visits to nursing homes; these include Centennial Court (Atlantic Baptist), Geneva Villa, Prince Edward Home, Whisperwood, Andrews of Charlottetown and Stratford, Garden Home and The Mount. We deliver bulletins and newsletters. We participate with the clergy and worship committee in the Blue Christmas service on the

longest night of the year in December, a service of comfort for anyone experiencing the loss of a loved one or has experienced a difficult situation during the year. Candles are lit to remember and to hope for the coming years; over seventy people attended the service this year.

Home visits and telephone visits are very important too and anyone in the congregation can do these at any time.

Two of our visitors have retired – Millie Compton and Joan Thompson and they deserve our thanks for years of visiting ministry. We welcome Marilyn Blanchard and Beverley Fay to join Barbara Langille and myself as we continue.

Respectfully submitted,

Eleanor Davies

PARK ROYAL CHOIR – 2018

Make a joyful noise unto God, all ye lands:

Sing forth the honour of his name: make his praise glorious.

Psalm 66:1-2

In 2018, the members of the Park Royal choir continued to serve God by offering their musical talents during the regular Sunday services (as well as funerals) throughout the year.

As many churches struggle to keep their sanctuary choirs viable, we here at Park Royal are very fortunate to have such a dedicated group who faithfully turn out each Thursday night for practice. We were pleased to welcome a new tenor, Steve Ellis in September and Rev. Dave in December as he helped out with the Cantata. Sadly, we lost two faithful, long time members during the year, Jim MacFadyen and Erroll Lund.

As always, we are most grateful to our very committed and talented accompanist, Sharon Cameron who provides the bedrock upon which our efforts are based - we couldn't do what we do without her.

The choir was pleased to welcome the Spring Park Choir on the occasion of the Good Friday service at Park Royal.

On October 28th, Park Royal hosted the service marking the ending of the PEI Presbytery. The choir loft was overflowing with singers from across the Island – it was fun!

The PRC was pleased to be invited to sing at St. Mark's Presbyterian on December 16 for a service celebrating the 200th anniversary of *Silent Night.*

Another highlight of December was the Christmas Cantata. Thanks to Kevin for writing the script and to he and Rev. Dave for their acting talents as well as to Hank and Rowena Stinson who read the scriptures during the service (Hank also helped with the staging of the little vignettes).

We enjoyed an evening of great food, fun and fellowship at our Christmas party hosted by Roger and Eleanor Birt whose kindness and generous hospitality is most appreciated.

This year anthems were purchased and sung in loving memory of Karen Rae (Hambly) Jones, Margie Burns, Gary Campbell and Edith Giggey.

The choir reached out to the wider community in late May when we sang for the residents of the Prince Edward Home. We supported the food bank by bringing non-perishable food items on the first practice night of each month and also by contributing monetarily to the CBC Feed a Family campaign in December.

Sheridyth MacNeil is in charge of the 'benevolent' business of the choir…sending cards, visiting shut in members, arranging special events, etc. Thank you, Sheridyth for executing these duties with such cheerfulness and kindness!

I greatly value the leadership of Valerie Herring-MacBeath with the Junior Choir and I thank her for so generously offering her time and talent to the music ministry of Park Royal.

The guitar group has provided the music for various services during 2018 – in particular, the early Easter service and the 4 pm Christmas Eve service. It's always enjoyable when they participate and I am grateful to them for 'sharing the musical load' during the busiest times of the year!

I thank the following for offering their musical leadership throughout the year:

Cousin Mattie, Dawne MacFadyen, Sara Campbell, Sheila Bereng, Step By Step, Michelle Baldwin, Among Friends, Singing Strings, Sharon Cameron, Guitar Group, Junior Choir, UPEI Brass Quintet, Spring Park Choir, Taylor MacBeath, Edward Herring, Stanesha Deligence, Harmonia and Sirens, Pam Slobodesky, Jen Clement, Hannah Brown, Ron MacLean, Young Musicians, Allison Giggey, Sheridyth MacNeil, George Walsh, Bill and Jillian Courtney, Alexandra Smith, Jen Clement, Arlene Brown, Lucy Li, Alex Wang, Connie and Judy Yun, Sirens Summer Sing, Vincent Hung, Mildred Dover, Wayne Diamond, Jeannie Campbell, Scott Feltham, Hank and Rowena Stinson, Lauren and Sophie Doyle, Suzanne Campbell, The Thompson Family, Dave Altass, Sylvia Mutch, Tony Buena, Emily Woodland, Ron Gillespie.

I would like to thank all choir members for the friendship, loyalty and patience as well as the Park Royal staff - Donna, David, Paula, Kendell and of course Kevin for making Park Royal such a pleasant place to work.

Thanks as well to the Worship Committee, Ministry and Personnel Committee and the congregation for the kind words and support of the music program. Encouragement is a wonderful incentive!

May God continue to bless our efforts in 2019.

Respectfully submitted,

Valerie MacKenzie, Music Director ♬ ♬ ♬

JUNIOR CHOIR 2018

It's hard to believe another busy year has come to an end for the Junior Choir. Each Sunday we have 10 children who join us for a time of fellowship, fun, and music after church. Their delightful smiles, laughter, and enthusiasm make Junior Choir a rewarding experience.

The Junior Choir worked on two big musicals this past year. Both musicals required dedication and hard work. All choir members stepped up to the task and we are extremely proud of what they have accomplished. In June the Choir performed 'A Technicolor Promise', a musical based on the story of Noah. In December they performed 'The Christmas Dream Team Parade', a musical based on the real meaning of Christmas. They sang in church in February and in March. Along with the musical in December, they also sang at the 4:00 p.m. Christmas Eve service. The Junior Choir had a pizza party in June and December which is always a good time!

Thank you to Rev. Kevin for his help with the sound systems, and to both Rev. Kevin and Rev. Dave for their continued support of the Junior Choir. Thanks to Sharon Cameron who fills in when needed during the year. Thank you to the parents and grandparents who support us during the year. We are thankful for the opportunity to work with this wonderful group of talented young people each Sunday. Your support and commitment to the choir is greatly appreciated. We are truly blessed at Park Royal!

Respectfully submitted by Valerie Herring-MacBeath and Valerie MacKenzie.

STEP BY STEP – 2018

Step by Step celebrated its twenty first anniversary in 2018. In September, we were happy to welcome guitarist, Riley MacKay to the group. His musical skills are a real asset – it is nice to have a young person around again!

In keeping with tradition, we played for seven worship services at Park Royal throughout the year including Christmas Eve when we were pleased to have a former member and good buddy, Andrew Cameron playing with us once more. We thank Dave Altass for filling in for Kevin Proude on that night.

There is a wonderful support team for the musicians of Step by Step - Kevin MacKenzie and Grant McCaffrey who lug and set up the gear and work hard to make the sound as clean as possible. Gentlemen - we are indebted to you.

We also would like to thank the congregation for its continued support and encouragement.

Respectfully submitted,

Valerie MacKenzie

AMONG FRIENDS – 2018

Among Friends have had a great year, gained some new voices and continue to enjoy singing under the skillful direction of Valerie MacKenzie with Sharon Cameron playing the piano; so happy to have the two of them at the helm.

We started the year off with a pot luck at Wendy Cooke's. In June, we had another pot luck at the home of Marie Ewing, one at Park Royal in September and breakfast at Sam's in Cornwall in December. Sharing recipes, laughter, stories and friendship is an important part of our dynamics.

We sang at Park Royal on different occasions during the year - in February, Easter services in March, in April, the 60th anniversary of Park Royal in June, in October and the ‘Cantata’ in December along with the Christmas Eve service. For some of these, we joined our voices with the Park Royal Choir. We also sang at St. Marks church with the Park Royal Choir and joined in singing "Silent Night" with St. Marks choir in honour of Silent Night's 200th anniversary.

We helped with the Rock 'n Roll concert in April with some energy and making cookies.

We continue to support a foster child in Cameroon and the CBC Feed a Family campaign in December.

We provided food and comfort for two of our families in their time of need - Donna Carr's and Valerie MacKenzie's. We look forward to a new year with more singing, eating and enjoying friendships.

GUITAR GROUP - 2018

“The Guitar Group, now in its seventh year, has been meeting on Tuesday or Wednesday nights throughout the year (check the church bulletin). Although presently called the Guitar Group, we would welcome any instruments and any new members of any ability level, including beginners.

Our main goal is a weekly session where we enjoy playing old favourites (both sacred and secular) and learning some new pieces brought by members of the group. This year we welcomed a new bass player, David Campbell (not our minister). Our returning members were Linda Acorn, Roger Birt, Donna Carr, Bill Courtney, Leigh Crabbe,

Angus Davies, Kevin MacKenzie, Bill Murley, Linda Patton, and Hank Stinson. At performances we have been aided vocally by Rowena Stinson and Eleanor Birt.

In addition to our weekly practices at the church, we have performed at church services, nursing homes, fundraisers and social gatherings. However, our principle goal remains the enjoyment of playing music in a relaxed and easy-going setting with friends.

Respectfully submitted,

Hank, Bill and Donna"

INTERCESSORY PRAYER GROUP – 2018

"Bold prayers honour God and God honours bold prayers. The greatest moments in life are the miraculous moments when human impotence and divine omnipotence intersect – and they intersect when we draw a circle around the impossible situations in our lives and invite God to intervene." Mark Batterson

The Intercessory Prayer Group of Park Royal United Church meets at 9:30 AM on the third Sunday of each month in the boardroom, prior to regular Sunday worship. The group prays for those who are ill and suffering, those who are grieving the loss of loved ones, those living in long term care, those requiring support at home, survivors of disaster, government leaders and all leaders and families of Park Royal United Church.

Prayer requests come through Reverend Kevin MacKenzie and Reverend David Campbell as well as through members of the prayer group. All prayer requests are kept strictly confidential. Please feel free to add names to our list by contacting one of the aforementioned.

The members of the Intercessory Prayer Group are Millie Compton, Joan Shears, Beverley Fay, Gail Sanderson, Carol Linton, Leah Mayne-Cainey, Marilyn Kennedy and home members Margie Newson and Mona and Doug Brown. More members are needed! If interested, please consider joining us. You can speak to our ministers or one of the committee members or just join us at one of our monthly meetings.

The group offers prayers on a daily basis for all those who have been brought to our attention. Approximately 100 individuals and families have been kept in prayer during 2018.

“This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us. And if we know that He hears, whatever we ask, we know that we have what we asked of Him.” 1 John 5: 14-15. NIV

GARDEN COMMITTEE REPORT – 2018

It was a challenging year, being as the growing season was not the best . . . any gardener or farmer would attest to that.

However with the addition of extra mulch on the flower beds, it helped to reduce the weed growth and moisture loss.

The summer student who was hired to help around the church was assigned some gardening tasks like watering.

As a committee we did try a few new annual selections with some success and failures. We now have a better idea on what we will choose for the 2019 planting season. We are a small, but mighty committee looking forward to the spring and upcoming growing season.

PARK ROYAL UNITED CHURCH ANNUAL

BROKEN CLUB GOLF TOURNAMENT - 2018

During the afternoon of September 16th, 2018 the Park Royal Annual Broken Club Golf Tournament was held once again at the Rustico Golf Course. There were 37 "golfers" signed up for this event and from these entries most teams were strategically formed so a "runaway" team would not be evident. This strategic pairing of "golfers" proved to be the case this year as a new team of champions was crowned. Winners of this years glorious Broken Club Trophy were: *Malcolm MacBeath, Brodie MacBeath, Judy Fraser and Donna Carr.*

There were also four other winners in the following categories:

Men's Longest Drive: *Brodie MacBeath*

Women's Longest Drive: *Ruth Nogler*

Men's Closest to the Pin: *Lester MacKay*

Women's Closest to the Pin: *Ruth Nogler*

This event is always well attended. We have been blessed each year with good fall weather and we always have room for more entries. Please consider joining us next year for some fun and laughter and perhaps even bragging rights from snagging a title. After a hard fought round of 9 holes of golf, all participants enjoyed a hamburger and fries and talked about their great feats on the links earlier that day.

Ruby Burns

LIGHTHOUSE REPORT - 2018

DO YOU LIKE CHANGE?

Do you like change? Well many people find change difficult, some just go with the flow but the LIGHTHOUSE in the church foyer just LOVES change.

Several years ago our front porch received a welcomed guest; the white and red lighthouse. The lighthouse was the brain child of Mr. Donald MacLean, an active member of the Stewards and it was built by Mr. Florian Bryan. The idea of this lighthouse was to simply collect the odd change that people might have in their pockets and wish to donate. Over time, it was hoped that this "change" would add up and could then be put towards some worthy cause. The Fundraising Committee normally selects the causes for the monthly or bi-monthly collections in the lighthouse. A notice is placed on the lighthouse as well as an announcement placed in the weekly bulletin naming the organization selected for the month.

During the 2018 year the funds and amounts collected in the lighthouse went to various causes; Food Bank, Newcomers Association, Red Cross, Camp Abegweit, Garden Fund, Salvation Army Home Heating Program, School Breakfast Program, Hurricane Relief and Salvation Army. You donated approximately $1,300.00 throughout the year.

We thank everyone for their generous donations over the years. Should anyone have any suggestions regarding to whom we could give some donations for any month, please contact Donna at the church office at 902-894-9656.

Respectfully submitted,

Donna Carr

MINISTRY & PERSONNEL COMMITTEE
ANNUAL REPORT - 2018

The M & P is an ongoing committee of the Official Board which deals with the support and supervision of persons who are employed within the Pastoral Charge on a full or part-time basis. Committee duties include:

- to support the various members of the church staff in their work and help maintain good relationships between them;
- to maintain clear guidelines regarding the responsibilities and authority of various staff members;
  to be the liaison between staff members and the congregation in general administration matters and relationships;

- to be concerned with salaries, travel allowances, working conditions, and all other employment practices with respect to staff;
- to review annually the effectiveness of the church's staff as it relates to the program defined by the Official Board;
- to maintain a close liaison with the Pastoral Relations Committee of the Region; and,
- to report at regular meetings of the Official Board.

This past year the committee held four meetings including the staff interview meeting. Significant agenda items were reported routinely to the Official Board for its consideration.

The use of Pre-Authorized Remittance (PAR) was an often discussion matter within committee as its view is that more use of PAR would enhance the management of the church's finances.

The committee is very open to comments and questions. Matters are received in confidence as appropriate. The committee is responsible to and reports to the Official Board.

The committee members are Eleanor Davies, Jean Fallis, Heather MacLeod, Donnie MacLean, Kevin McKinnon, Sheridyth MacNeill and Chet MacNeill.

Respectively submitted,

Chet MacNeill, Chair

MEMBERSHIP & VISITATION – 2018

In 2018 the Membership & Visitation Committee of Session had three members: Doris Feltham, Garth Jenkins and Myrna Johnston.

This committee attempts to keep contact information for our church families up to date in the church office. This is a continuous task as people change addresses or move in and out of our congregation. We work closely with Donna Carr, our office administrator and we are grateful for her assistance.

A letter of welcome is sent to each person coming into full membership at Park Royal, either by confirmation or transfer.

This committee coordinates the distribution of newsletters that go to each family of the congregation at the beginning of Lent and the beginning of Advent each year.

The congregation is presently divided into 39 visitation districts. This past November we had 16 elders and 23 visitors on behalf of Session attempting to reach 425 households of our congregation. In addition to these, newsletters are also delivered by our Pastoral Visiting Committee to 20-25 people of our church family who are residing in care facilities.

Recently there has been discussion regarding the method of distributing these newsletters. Some feel that visits are not necessary for all families. Alternative options are being considered and a congregational survey to determine people's wishes may happen in 2019.

The committee extends appreciation to Rev. David Campbell, Rev. Kevin MacKenzie, Donna Carr and Marilyn Kennedy for their help preparing the newsletters.

Respectfully submitted,

Doris Feltham

Myrna Johnston

Co-chairs of the committee.

FUND RAISING COMMITTEE – 2018

PARK ROYAL UCW PRESIDENTS REPORT FOR 2018

Greetings fellow UCW members

As I look back over the past year I wonder where the time has gone. This is my second and final year as your president. It also looks like 2019 will be my final year (or part year) at Park Royal.

2018 has been a very busy year for our Park Royal UCW. Each year seems to be busier than the last; this could be because of our declining numbers and the average age of our members.

We have held two executive meetings, one in January and one in August. Regular meetings took place in February, March, April, May, October (X two) and then in November, which is a regular meeting immediately followed by our Annual meeting.

We were fortunate in 2018 to have the UCW Maritime UCW Biennial meeting take place in Summerside. One hundred and forty women enjoyed three days of fellowship, business and worship. Our own Eleanor Davies was part of the planning committee and kept us up to date as the meeting grew closer. We truly felt part of this event.

Once again we kept busy with catering to funerals, helping/overseeing the annual lobster supper, monthly pot luck lunches after church, kitchen supervision for groups using the facilities and a coffee party and book sale.

We have enjoyed worship at each of our monthly meetings and on occasion had programs. Dr. Jennifer Taylor and two of her students joined us in February and in October Karen Nicholson spoke at our “Welcome Back” meeting.

In March we joined with neighboring churches for the annual World Day of Prayer service.

We have generously donated cakes for the Prince Edward Home birthday party in May and also Park Royal’s Anniversary in June.

The annual PEI Presbyterial UCW meeting was held in Winsloe in April. At that meeting it was decided to disband this island wide group. We will miss the fellowship that always took place when we were together. It is hoped that the Fall Rally will continue, which it did in September at Camp Abby.

There are a number of ladies I would like to thank at this time:

Gwen Taylor – You do a magnificent job of Corresponding Secretary. Your notes of sympathy, encouragement, get well, etc. mean so much to those on the receiving end.

Myrna Johnston – What would we do without you? I know every President since you became Secretary feels the same way. You keep meticulous minutes and keep us on track during the meetings.

Myrna Wicks – You pour your heart and soul into “Church in Action” and not only for the UCW but for other groups as well. Thank you for your very informative reports.

I know I have only singled out a few but I could not have been President without the support from all of our members, for which I thank you. I would like to thank our past President, Eleanor Davies, for her support over the last two years. I would also like to offer my congratulations and support to Sheridyth MacNeil for taking on the role of President, I know that Park Royal is very lucky to have these women.

With God’s blessing for the future of our UCW

Respectfully submitted,

Sheri Chislett
